**ICAS Writing Competition Results**

Results have been received from the University of New South Wales for Blaxland East students who entered the ICAS (International Competition and Assessment for Schools) Writing Competition for 2014.

Students from Blaxland East again achieved outstanding results when they participated this year. Those students whose achievements were outstanding were rewarded with certificates of Merit, Credit, Distinction and High Distinction.

These ICAS tests are designed to assess students' academic abilities in aspects of Writing such as Genre, Grammar, Syntax, Punctuation and Spelling. Each year, many BEPS students take the plunge and attempt these tests, putting themselves up against gifted and talented students from all parts of Australia, New Zealand and parts of Asia. These students deserve the highest praise for their efforts and participation.
The highlights of our results this year are as follows:-

**High Distinction**
Sophia Hadjimichael (Year 6)

**Distinction Awards**
Zoe Spyrikis (Year 3), Shahar Buskila (Year 5), Georgia Biaggini, Emma Cole, Sarah McConville and Caspar Zauner (Year 6).

**Parliament and Civics Education Rebate (PACER)**

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of education programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Dear Parents/Caregivers,

Firstly, my apologies for the lateness of this newsletter and the last one in week 4. Illness has decimated our staff at various times in the last couple of weeks and we are only just getting on top of everything. Thank you to everyone for their patience. Due to my absence, no message from the Principal was included in the last newsletter, so this newsletter has a larger number of awards than usual. Please look carefully for your child’s name!

As we near the day of the fete, please ensure you check your children’s bags for notes from the P & C about events leading up to the fete. Don’t forget to purchase your all day ride passes! Helpers are still needed on a variety of class stalls, so sign up for an hour or two to help make our fete a success.

Our thoughts and best wishes are with the family of Jarrod Samson-Hills who sadly passed away in an accident last weekend. Our hearts go out to you in your loss. We can only hope that the memories you hold will comfort you at this time of loss.

The wet weather has seen the postponement of a number of sporting activities, including the Zone Athletics, so please check with your child for notes coming home with regard to these changes. It is important that permission slips are returned promptly to ensure everyone can attend these events.

Once more I would like to remind all parents that they are not to drive into the carpark to pick up children as it poses a safety threat to our students. In addition, we ask that all parents take care around the school when dropping off or picking up students. We would hate to have an accident occur.

Congratulations to the band who placed 3rd at the Penrith Eisteddfod this week. Well done!

Thanking you in partnership for quality education,

Kerry.
